DATABASE DESIGN

ADMIN

Table Name : Admin
Primary key: Email-Id
Description : This table is store the admin login details.

S.No	Field Name	Field Type	Size	Constraints	Description
1.	email_id	varchar	30	Primary Key	Admin id
2.	Password	varchar	24	Not null	Password

USER

Table Name : User
Primary key: Email-Id
Description : This table is store the user login details.

S.No	Field Name	Field Type	Size	Constraints	Description
1.	email-id	varchar	30	Primary Key	User id
2.	password	varchar	24	Not null	Password
3.	name	varchar	20	Not Null	User name

PRODUCT

Table Name : Cart
Primary key: Id
Description : This table is store the product details.

S.No	Field Name	Field Type	Size	Constraints	Description
1.	product_id	int	20	Primary Key	product id
2.	name	varchar	15	Not null	user name

THANK YOU!
